

**Date:** December 14, 2025

**To Whom It May Concern,**

This is to certify that **Mr. Biraj Subedi** completed his internship at **Slash Plus Pvt. Ltd.** as a **Tech Intern from 15<sup>th</sup> September, 2025 till 14<sup>th</sup> December, 2025**.

During his internship period, Mr. Subedi was involved in technical operations related to GPS and IoT-based systems. His key responsibilities and contributions included:

- Supporting end-to-end setup, testing, and deployment of GPS and IoT tracking systems.
- Assisting in cloud and server integration, monitoring device data, and validating system performance.
- Conducting system quality assurance and software testing across devices and dashboards.
- Verifying device configurations, firmware behavior, and data transmission reliability.
- Assisting in troubleshooting network, server, and device-level issues.
- Coordinating with technical and field teams to ensure smooth system deployment.

Throughout his internship, Mr. Subedi demonstrated strong technical interest, reliability, and a positive learning attitude. His contribution was valuable to our technical operations.

We wish him every success in his future academic and professional journey.

Best regards,

---
